

**LEARN ABOUT SHAKER LIBRARY'S FACILITIES ASSESSMENT AND FEASIBILITY STUDY AND  
OFFER FEEDBACK ON CONCEPTS FOR RENOVATION AND/OR NEW CONSTRUCTION AT  
BOTH MAIN LIBRARY AND BERTRAM WOODS BRANCH.**

After reviewing both library facilities for maintenance needs, HBM Architects has developed a variety of concepts to address maintenance issues and to better equip the library to provide 21st century library service.

We seek community feedback on these concepts and invite your participation.

Refreshments will be served. There is no fee; however, we ask you to make reservations in advance by calling the voice mail box at 216-367-3006 or online using the links or QR codes to the right.
