## Art & Business IQ

"When bankers get together they talk about art.

When artists get together, they talk about money." — Oscar Wilde

Whether it's the art of painting or the art of the deal, there is no doubt that art enhances our world. Art can inspire us, energize us, or soothe us, but art cannot exist without the commercial world that supports it. How is your art and business quotient? Match the artist or business person to the quotes below.

- \_\_\_\_\_ One can have no smaller or greater mastery than mastery of oneself.
- \_\_\_\_\_ I perhaps owe having become a painter to flowers.
- \_\_\_\_\_ All the really good ideas came to me while I was milking a cow.
- \_\_\_\_\_ I don't mind parting with the corn, but not with the field in which it was raised.
- \_\_\_\_\_ The only reward one should offer an artist is to buy his work.
- \_\_\_\_\_ A primitive artist is an amateur whose work sells.
- \_\_\_\_\_ It's tangible, it's solid, it's beautiful. It's artistic, from my stand point, and I just love real estate.
- \_\_\_\_\_ Only buy something that you'd be perfectly happy to hold if the market shut down for 10 years.
- \_\_\_\_\_ I find that when you have a real interest in life and a curious life, sleep is not the most important thing.
- \_\_\_\_\_ It's kind of fun to do the impossible.
