Advanced Directives

Who Will Make Medical Decisions for You?

10-11 AM Tuesday, June 12

Main Library 16500 Van Aken Boulevard 216-991-2030

Advance Directives are the keys to ensure that your medical care decisions will be honored if you are too ill or hurt to express them. Join Kim Reynolds from McGregor's Program of All-Inclusive Care for the Elderly (PACE) when she speaks on the legal and social issues surrounding this important topic. She will review the questions you should think about and the legal documentation required to make sure things are handled according to your plan. In addition, she will suggest ways to initiate and manage the conversations with family and others so they are on board with your wishes.

Registration is requested online or by calling 216-991-2030.
