

# **How to Keep the Uninvited at Bay: The Problem of Wildlife in our Gardens**

**7-8:30 pm Wednesday, March 14, 2018**

**Bertram Woods Branch  
20600 Fayette Road  
Shaker Heights, OH  
216-991-2421**

Do you have deer, chipmunks, skunks, or rabbits frolicking in your garden? Do they dine on your carefully-tended plants? This talk will focus on the problem of wildlife in our gardens and what we can do about it. Cuyahoga County Master Gardeners will introduce you to deer and rabbit resistant plants and suggest humane options for repelling and eliminating these pesky critters from our gardens. Please register in advance
