Meet Bobbie Schwartz, owner of Bobbie's Green Thumb in Shaker Heights. Her landscape signature is the use of perennials, flowering shrubs, and ornamental grasses to create color and interest throughout the year.

A longtime member of the Perennial Plant Association, Garden Writers, and the Association of Professional Landscape Designers, she lectures nationally and is a regular contributor to publications on perennials and landscape design.

Following her talk, books will be available for sale and signing. For more information and to register, please call 216-991-2030
