B. Potential Change Order Ratification

Ms. Switzer presented change orders for ratification.

PCO #11 to install new drywall at the atrium 101 upper walls. After removing the wall panels and sconces in the atrium, it was discovered that the wall underneath was brick. The cost to install new drywall over the areas of exposed brick are \$11,044.

<u>PCO #12 create new custodial closet</u>. The old custodial closet and slop sink was in an area that was demolished to make room for the new passport room and staff office. The cost to create the new closet is \$12,650.

PCO #33 to install resilient flooring in the larger meeting rooms (E&F) instead of <u>carpet</u>. It was the intent to have resilient flooring in these areas, but was inadvertently bid out as carpet. The cost to upgrade to resilient flooring is \$3,174.

H. Main Library Renovation Furniture and Technology Purchases

Main Library Renovation Furniture

Ms. Switzer said that library staff have been working with the design team to select the furniture, fixtures, and equipment for the Main Library Renovation. Some furniture will be ordered in 2020 for use during Phase 2 of construction because there is a significant lead time for many of the pieces. The remaining FF&E will be purchased in 2021 for use when the project is complete.

The appropriations budget includes the full FF&E costs for the project. Funds for 2020 purchases have already been appropriated. However, the library is spending at least \$50,000 with two of the furniture vendors, so purchases from those vendors require separate approval:

<u>Vendor</u>	Phase 1	Phase 2	<u>Total</u>
e4b	\$76,063	\$61,281	\$137,344
Ohio Desk	\$100,000	\$150,000	\$250,000

Technology

Ms. Switzer said that the technology plans for renovation are detailed in the 2021 Technology Plan, which had the first review at the November Board meeting. The 2021 Temporary Appropriation Budget includes the technology purchases for the project.

Currently the library plans to spend at least \$50,000 with three technology vendors in 2021, so they require separate approval.

• Solutionz – \$151,000

Meeting room audio-visual equipment \$135,700

<u>2020-68</u> Mr. Cicarella moved and Mr. Meinhard seconded the motion to authorize the following purchases:

Revised Financial Statements

Ms. Ritchey said that prior to submitting the Temporary Appropriations to the Board of Trustees for Approval in December, the transfers to the Building and Vehicle Fund and the Technology Fund were reversed. The approval was for \$390,000 to be transferred to the Building and Vehicle Fund and \$300,000 to be transferred to the Technology Fund.

The budgeted revenues for Funds 401 and 403 are being updated to reflect what was approved in December. No other changes have been made to these monthly financial statements.
