

SHAKER READS TUNE IN

SCHOOL-AGE SUMMER READING PROGRAM FOR GRADES K-6

JUNE 2 - AUGUST 12, 2017

Congratulations! Now that you have signed up for summer reading, be sure to pick up your **summer reading necklace**. Use the back of this card to measure your summer reading by coloring a note for every hour you read!

Beginning June 2, start recording your reading time online at shakerlibrary.org or in person to earn beads and brag tags. Readers can choose from an assortment of beads and brag tags to personalize their necklaces.

- Each hour of reading = 1 bead
- 10 hours of reading = 1 book
- 20 hours of reading = 1 brag tag
- 30 hours of reading = 1 brag tag
- 100 hours = Special Shaker Library brag tag

Toot your own horn! Earn an extra brag tag by reaching your own personal summer reading goal. 

My goal this summer is to read _____ hours.

All reading time must be logged online or reported by 5:30 pm Saturday, August 12.
Beads and brag tags may be picked up at either library until 5:30 pm Saturday August 19.

Be sure to check out our many fun activities at the library and visit us often!
