

# ART BUILDS COMMUNITY

## JUNE 5 - AUGUST 11, 2018

**Congratulations!** Now that you have signed up for summer reading, you can pick up your 2018 summer reading necklace and brag tag. Use the back of this card to measure your summer reading by coloring a paint splatter for every hour that you read. Be creative and use different colors for every 15 minutes you read.

Report your reading time online or in person and then choose from an assortment of beads and brag tags to personalize your necklace.

- Each hour of reading = 1 bead
- 10 hours of reading = 1 book
- 20 hours of reading = 1 brag tag
- 30 hours of reading = 1 brag tag
- 100 hours = "100 Hours" brag tag

**Be a star!** Earn an extra brag tag by reaching your own personal summer reading goal.

My goal this summer is to read \_\_\_\_\_ hours.

All reading time must be logged online or reported by 5:30 pm Saturday, August 11. Prizes will be available until 5:30 pm Saturday August 18 while supplies last.
