There is No Frigate Like a Book
by Emily Dickinson

There is no frigate like a book
To take us lands away,
Nor any coursers like a page
Of prancing poetry.
This traverse may the poorest take
Without oppress of toll;
How frugal is the chariot
That bears a human soul!

Our Moreland Creed

I believe in the schools of America as the foundation of American Democracy.

I believe in my school, the Moreland School of Shaker Heights, Ohio as a fine place for me to grow physically, mentally and spiritually into the kind of citizen of which my parents, my friends and my country will be proud.

I believe it is my duty to my school to respect it, to obey the rules, and so to live that it will always be proud of me.
