Teen Genealogy
Teens and their adult relatives are invited to explore family history together in a hands-on computer workshop. Bring your family history questions, as well as family details, such as birth, marriage, or death dates for those you wish to research. Genealogy experts, including representatives of the African-American Genealogy Society, will help guide you to the answers! Use Ancestry.com, a subscription service which is free to use within the library. Registration for each pair-—a teen and an adult—is required.
Register in person, online, or by phone beginning March 1.

TEK LAB: Video Game Design System
Work with the expert staff of Funutation Tech Camps for six weeks and learn to create your own exciting video games!
