

# Design a Three For Teens Card and Win \$100 courtesy of Friends of the Shaker Library

Teens, ages 13-18, are invited to enter the Library's Three for Teens Card Competition. Many teens cannot borrow library books because their cards are blocked. The Library—in collaboration with the Friends of the Shaker Library—wants to create a Three for Teens card that will allow teens to borrow up to three books from the Library without the need for a parent's or guardian's signature. And they invite teens to design it. Be creative! (Designs of current Library cards are printed on the back of this flyer.)

All art should be clear when reproduced at a smaller size. Keep in mind that library cards are 2-inches by 3.5-inches wide. Designs may be drawn, painted, photographed or computer designed. The Shaker Library logo can be found online at [shakerlibrary.org/logo](http://shakerlibrary.org/logo).

You may use this entry form or you may submit your entry electronically as a high resolution PDF or JPG by email to [msimon@shakerlibrary.org](mailto:msimon@shakerlibrary.org). In the body of the email, please include your name, phone number, and email address. Entries will be accepted through **January 30, 2017**. Entries can be submitted at the Youth Services Desk, Teen Desk, or Circulation Desk. The winner will be announced February 17.
